President's Message

World Pro Goaltending is committed to providing the most comprehensive learning experience for today's goaltender. Our programs are designed to enhance each goalie both physically and mentally so that they are prepared to endure the challenges the position demands. Our state of the art facility combined with our highly qualified and experienced instructors enable us to cultivate our athletes both on and off the ice. Whether you participate in one-on-one training, or one of our goalie camps, World Pro will provide the most complete training for goalies of all ages and skill levels. Our unprecedented success rate speaks for itself.

What We Teach

World Pro Goaltending brings to the rink a wealth of knowledge and experience working with goaltenders. We believe in a compact butterfly with athleticism and read and react style, making for the ultimate hybrid goaltender which is used by most goaltenders in the N.H.L. When working with goaltenders, the instructors at World Pro stress keeping it simple and using high repetition drills to fine tune the goaltender's technique. The simpler the game you play the more you will be in good position to make that next save resulting in more saves, greater save %, lower GAA and more wins.

World Pro has grown to one of the biggest and best training programs in western Canada, seeing over 7000 one-on-one training sessions a year. World Pro works with past, present and future (drafted and listed) WHL goaltenders and has over a dozen current students playing in the WHL as well as NCAA, Pro and NHL goaltenders.

Summer Camps

World Pro Summer camps will have 3 groups of 12-18 goaltenders, (4-6 stations of 3 goaltenders). These camps will run all day long and will have a dry land component, a class room session, and a daily lunch will be provided. The on ice development will run with progression though out the five days covering all aspects of the position. The camps will run with a head coach, an assistant as well as several demonstration goaltenders. All participants will receive ample attention throughout the week and be taught the finer details of goaltending not covered in other goalie schools. There will be a balance of drills offering a competitive, fun and enjoyable atmosphere.
